Working as a Full-Time Driver (DOT-Class 1 CDL), you will be representing our fleet as you deliver from Distribution Centers to branches and customers. You will operate a safe, well-maintained and late model tractor trailer or straight truck. Delivery trucks are pre-loaded by warehouse employees prior to departure, and you will be responsible for unloading the freight at each stop along your route; most routes average 10-12 stops. Since routes are pre-planned, you'll know your schedule weeks in advance.

### FULL-TIME BENEFITS:

Fastenal offers a competitive benefits package to all full-time employees. This package includes Health, Life, Long Term Disability, and Dental Insurance, in addition to, paid vacation, sick leave, holidays, and RRSP with an employer contribution.
